## **LOSS PREVENTION**

### **SUPERVISING PACKING, LOADING, LASHING AND SECURING OF PROJECT CARGOES**

Since 1990 a deep experience in the Loss Prevention related to Project Cargoes was developed, especially on account of Underwriters, Freight Forwarders and P&I Clubs.

In this respect, in the past years, a deep experience was made in the Loss Prevention surveys related to Project Cargoes, supervising the packing, loading, lashing and securing operations of cargoes and heavy lifts destined to LNG and power plants, especially on account of Nuovo Pignone (General Electric), Saipem, ABB, Fireman's Fund etc; in particular, the following major shipments have been surveyed in the last years:

#### **2000**

Shipment of two large compressors (800 tonnes each) and one gas turbine (1250 tonnes) on a barge for ODIDI plant in Nigeria.

Several shipments of Gas Turbines, Compressors and relevant accessories ex Nuovo Pignone from Italy (Marina di Carrara and Leghorn) to LNG plant of Trinidad.

Shipment of more than 120 big heat exchangers and condensers ex Nuovo Pignone from Italy (Vibo Valentia) to LNG plant of Trinidad.

#### **2001**

Several shipments of steam turbines and relevant accessories ex Ansaldo Energia to Milmerran Project in Australia, including the shipment of two middle sections of turbine on Cargo Aircrafts (Antonov).

#### **2002**

Several shipments of Gas Turbines, Compressors and relevant accessories ex Nuovo Pignone from Italy (Marina di Carrara and Leghorn) to LNG plant of Idku.

Shipment of more than 80 big heat exchangers and condensers ex FB Hudson from Italy (Chioggia) to LNG plant of Idku.

## 2003

Several shipments of Gas Turbines, Compressors and relevant accessories ex Nuovo Pignone from Italy (Marina di Carrara and Leghorn) to LNG plant of Trinidad (train 3-4).

Shipment of more than 100 big heat exchangers and condensers ex Nuovo Pignone from Italy () to LNG plant of Trinidad.

## 2004

Shipments of Gas Turbines, Compressors and relevant accessories ex Nuovo Pignone from Italy (Marina di Carrara and Leghorn) to LNG plant of Trinidad (train 3-4).

Shipment of big heat exchangers and condensers ex Nuovo Pignone from Italy () to LNG plant of Trinidad.

Shipments of Gas Turbines, Compressors and relevant accessories ex Nuovo Pignone from Italy (Marina di Carrara and Leghorn) to LNG plant of Idku.

Shipment of big heat exchangers and condensers ex FB Hudson from Italy (Chioggia) to LNG plant of Idku.

Several shipments of Gas Turbines, Compressors and relevant accessories ex Nuovo Pignone from Italy (Marina di Carrara and Leghorn) to Darwin (Australia)

Two shipments on barge of cold boxes in Sagunto (Spain) and discharge of same in Alexandria (Egypt), including supervision of grillage, towage etc.

## 2005

Shipment in Ravenna and Tarragona of heavy lifts destined to Scandinaviska Raffinaderi AB /Scanraff" of Lysekil, Sweden (on account of ABB)

Shipment of more than 80 big heat exchangers and gas condensers ex Nuovo Pignone from Italy (Vibo Valentia) to Darwin, Australia

Several shipments of Gas Turbines, Compressors and relevant accessories ex Nuovo Pignone from Italy (Marina di Carrara and Leghorn) to Darwin (Australia)

Shipment of Project Cargo from Genoa to Sakhalin, Russia, on account of Underwriters of Saipem Paris

Shipment of project cargoes (electric and electronic panels) from Italy to Nuclear Power Plant in India
